TO WHOM IT MAY CONCERN

This is to inform all concerned that the Indian Institute of Technology Gandhinagar does not issue any Migration Certificate / No Objection Certificate (NOC).

The Institute awards a Degree Certificate only after a student has successfully completed all academic requirements. The Degree Certificate itself is sufficient confirmation that the Institute has no objection to the student pursuing further studies or admission in any other college or university in India or abroad.

Accordingly, there is no separate provision for the issuance of a Migration Certificate / NOC.

This is issued for the information of all concerned.
