

Applications are invited for the post of **Junior Research Fellow (JRF)** for the project titled “**Development of nanoporous geopolymeric catalysts for industrially relevant liquid-phase reactions**”.

The position is temporary for one year initially, but can be extended further depending on satisfactory performance and requirements.

The qualification and experience requirements for the above mentioned position are as follows:

Junior research fellow:

Essential Qualification: M.Sc or M.S. (Organic chemistry / general chemistry / applied chemistry) from recognized university with at least 60% marks.

Job requirement/Profile:

- This project is based on organic chemistry therefore basic synthesis and knowledge of NMR interpretation is essential. Candidates with research experience in organic chemistry will be preferred.

Salary Range: Rs. 25,000 INR per month (CONSOLIDATED). This salary is as per the rules of Ministry of Science and Technology for which candidate must have cleared UGC- NET or GATE examination.

Interested candidates may apply **by 15th May, 2017** giving complete information regarding educational qualifications, work experience along with two references at the email address mentioned below.

Institute reserves the right to fix suitable criteria for short listing of eligible candidates satisfying qualifications and experience. Only shortlisted candidates will be selected for the interview.

Applications should be sent by email only to:
