

## **Advertisement for the Research Associate/Senior Research fellow Position**

The discipline of Mathematics at IIT Gandhinagar invites applications for a position of Research Associate/ Senior Research Fellow to work in the area of analysis of elliptic and parabolic partial differential equations. The details on the project are as follows:

**Project Title :** Singular nonlinear elliptic equations: existence, uniqueness and qualitative questions

**No. of Position:** 1

**Salary :** The salary of the SRF/RA would be Rs. 28000/ per month.

**Duration:** Initially the position is for 9 months.

Applicants should have throughout good academic records and have a good amount of exposure on the analysis of partial differential equations. The applicants should fulfill at least the following criteria:

Fresh PhD or in the last phase of his PhD program in Mathematics from a reputed institution/university.

Applicants are requested to download the application from  
[www.iitgn.ac.in/--](http://www.iitgn.ac.in/--)

and e-mail your complete application to  
[jtyagi@iitgn.ac.in](mailto:jtyagi@iitgn.ac.in)

The complete application should contain the following:

(1) Application form (2) Curriculum Vitae (3) Two reference letters, directly sent to email id: [jtyagi@iitgn.ac.in](mailto:jtyagi@iitgn.ac.in)

**Date of applying:** The last date for application is **15 October, 2018**.

In case of any query, kindly contact with:

Jagmohan Tyagi, Discipline of Mathematics,
