

Advertisement for the Research Associate/Postdoctoral Position

The discipline of Mathematics at IIT Gandhinagar invites applications for a position of Research Associate/ Postdoctoral Fellow to work in the area of analysis of elliptic and parabolic partial differential equations. The details on the project are as follows:

Project Title : STABILITY AND BLOW UP ANALYSIS FOR CHEMOTAXIS
MODELS IN HIGHER DIMENSIONS

No. of Position: 1

Salary : The salary of the RA/Postdoc would be Rs. 50000/ per month for the first year.

Duration: Initially the position is for 1 year. It is likely to extend the position for second year depending on the assessment.

Applicants should have throughout good academic records and have a good amount of exposure on the analysis of partial differential equations. The applicants should fulfill at least the following criteria:

PhD degree in Mathematics from a reputed institution/university.

PhD candidates, who have submitted the thesis, are also eligible for applying the position.

Applicants are requested to download the application from

www.iitgn.ac.in/--

and e-mail your complete application to

jtyagi@iitgn.ac.in

The complete application should contain the following:

(1) Application form (2) Curriculum Vitae (3) Two reference letters, directly sent to email id: jtyagi@iitgn.ac.in

Date of applying: The last date for application is **25th December, 2018.**

In case of any query, kindly contact with:
