

IIT-Gn campus becomes first in country to get 5-star GRIHA rating

IIT-Gandhinagar's Palaj campus became the first in the country to obtain 5-star GRIHA rating for Large Development (LD) for implementation by scoring 20.36%. According to the GRIHA LD rating criteria, score of 35% or less qualifies for a 5-star rating. A lower score indicates higher environmental sustainability of the project.
