

## **IITGN workshop on dye, chemical units**

The Indian Institute of Technology, Gandhinagar (IITGn) will soon conduct workshop for dye and chemical industries in Gujarat. The institute has set up a Common Research and Technology Development Hub (CRTDH) on chemical processes on its campus and the centre aims to help Micro, Small and Medium Enterprises (MSMEs) in the dye and textile sector along with the other chemical industries for process improvement, research, training and testing of the raw materials.
