IIT-Gandhinagar organizes CogniTalks

The Centre for Cognitive Science at IIT Gandhinagar (IIT-Gn) hosted CogniTalks 2018 on November 16. At the event, the speakers included Prof. Venkatesh Rajamanickam from IIT Bombay, Prof Neelkanth Chhaya from Srishti Institute of Art, Design and Technology, Dr S Bhuvaneshwari, a philosopher, and Sonia Mehra Chawla, an artist. The speakers elaborated on the concepts such as data visualization, Indian architecture, concept of space in Indian philosophy and art. The organizers said that motive of the event was to spark an interaction between different disciplines to better understand the human mind, cognition and perception.
