

IITGn hosts alumni meet

The Indian Institute of Technology, Gandhinagar, hosted the second edition of the homecoming of alumni on Saturday. The alumni had several interactions with faculty, Career Development Service (CDS) and IITGN Innovation and Entrepreneurship Center (IEEC) and students as well as a campus tour. The two-day event started Sunday with an open house with former students, some of whom were also accompanied by their spouse. Sudhir Jain, Director, IITGn said, "The achievements of IITGN in the last ten years have been possible because of its students."
