

INSA meeting at IIT-Gn

Ahmedabad: Indian National Science Academy (INSA) hosted its 84th general meeting at IIT Gandhinagar campus on Thursday where about 200 members participated. The three day AGM of INSA started on Wednesday which is primarily being hosted by Physical Research Laboratory (PRL). Two symposia, one on 'Water Futures' and another on 'Ethics in Science Research and Education' were held at IITGN during the afternoon session of the meeting. The symposia were chaired by Prof RN Singh, IIT Gandhinagar and Prof J P Mittal, Bhabha Atomic Research Centre (BARC), Mumbai, respectively. TNN
