

Looking into the future

The two-day techfest of IITGn, Ignite 5.0, themed 'Technologies for the Future', ended on high note on Sunday. On Day 1, students participated in different events like All-Terrain Vehicle; Mono Rail; Phoenix Hunt - a treasure hunt; Igne Quiz; RoboWars, and Fusion 360 and IBM Watson Workshops. While on Day 2, tours to the Fuel cell and Photonics labs were made open to public. The day also witnessed the project expo which displayed works from the technical council, professors and students. The Autonomous Vehicle and Autonomous Underwater Vehicle shone as highlights with their remarkable utility and technology. The motive of the fest was to give all students a platform to showcase their technological know-how.

Title: Looking into the future
